

**TENTATIVE LIST OF GOODS /
SERVICES PROCURED / TO BE
PROCURED FROM MSEs**

TENTATIVE LIST OF GOODS/SERVICES WHERE MSEs ARE PARTICIPATING/EXPECTED TO PARTICIPATE

GOODS

Sl. No.	Description
1	Pipes (MS pipes, HDPE pipes, FRP pipes) & fittings
2	Pumps & Spares
3	Dewatering submersible pumps
4	Spare parts for Metering pump
5	Rubber hoses
6	Supply of Valves (Plug valve, butterfly valve)
7	Screen cloth
8	LED street lights
9	Platform
10	Furnace oil additive
11	Electrical actuator
12	Circular woven bags with LLDPE/LDPE liner
13	Exhaust fans
14	PVC gum boots
15	G.I. gratings
16	Fabrication and supply of Jack nut & bolts
17	Alpha beta counting system
18	CCTV camera
19	Supply of boil box PU screen for slurry tanks
20	Supply of 2 ton & 1 ton Jumbo bags
21	Fabrication, testing & supply of multipurpose Fire tender as per IS standard along with supply of chassis
22	Aluminum and Copper crimping connectors socket

23	Laboratory model rectangular oven
24	Supply of filter cartridge
25	Spares for automatic filter press
26	Supply of HDPE bag
27	Manufacturing & supply of winch system
28	Fabrication and supply of HTS Rotor
29	Spares for Rare Earths Drum Magnetic Separator (REDMS)
30	Spares for Rare Earth Roll Magnetic Separator (RERMS)
31	Screw conveyor
32	Supply of Lubricants
33	G.I. Cable tray
34	G.I. handrails
35	Replacement of fire pump for fire tender
36	Supply of roof top hybrid solar system
37	Spares for ash handling system of Boiler
38	Spares for PLC system
39	Supply of FRP tank
40	Supply of hexagonal nuts, bolts and washers
41	Vacuum circuit breaker
42	Supply of agitator shafts and accessories
43	Supply of HDPE tarpaulin
44	Splitters & feed hose adapter
45	Supply of G.I. Lighting towers
46	Supply and installation of Ultrapure water system
47	Transformers
48	Vacuum Circuit breakers
49	Safety Goggles

SERVICES

Sl. No.	Description
1	Repair and maintenance of bitumen road
2	Fabrication and supply of foot board for float line pontoons
3	Renovation of buildings and other civil infrastructure works
4	Engagement of skilled and unskilled manpower for operation and maintenance of Supplementary Mining Plant
5	Cleaning of Plant floor, road and drain
6	Cleaning of bushes
7	Welding & Painting of Chimney
8	Engagement of Qualified manpower for maintenance work
9	Transportation and feeding of high grade sand to spiral plant
10	Collection and transportation of concentrated sand
11	Collection of residual unburnt coal and ash generated at the boiler
12	Structural fabrication for installation at machines
13	Repair, replacement and renovation of existing windows
14	Annual rate contract for fabrication and erection of structural, tanks, equipments, pipings etc.
15	Repairing of furniture
16	Hiring of vehicles
17	Dismantling of equipments
18	Renovation of flooring
19	Engagement of heavy earth moving equipments for plant operation
20	Painting of building, equipments etc.

LIST OF NODAL OFFICERS FOR VARIOUS UNITS OF IREL

Sl. No.	Name of Unit	Nodal officer
1	Orissa Sands Complex (OSCOM)	Sri R. P. Jha, SM (Materials), Tel. No. 06811-257890 to 95, extn: 150, Fax-06811-257988
2	Chavara Unit	Sri K.S. Manjunath, DGM (Commercial), Tel. No. 0476-2081444, Fax-0476-2680141
3	MK Unit	Sri A.K. Basu, GM (Purchase), Tel. No.04651-237255 to 58, Fax-04651-237220
4	Rare Earths Division (RED)	Sri Pradeep S. DGM (P&S), Tel. No.0484-2545199, Fax-0484-2546299
