DISCLAIMER

The information contained in this Request for proposal document (the “EOI”) or subsequently provided to Bidder(s), whether verbally or in documentary or any other form, by or on behalf of IREL or any of its employees or advisors, is provided to Bidder(s) on the terms and conditions set out in this EOI and such other terms and conditions subject to which such information is provided. The information provided is only for the information and reference of the Bidders.

This EOI Application is not an agreement and is neither an offer by IREL to the prospective Bidder(s) or any other person. The purpose of this EOI is to receive budgetary quote to get a prospective on the approximate cost involved in procurement of such chemicals and also provide interested parties with information that may be useful to them in the formulation of their bid for participation in this EOI Application. This EOI Application includes statements, which reflect various assumptions and assessments arrived at by IREL in relation to the Project. Such assumptions, assessments and statements do not purport to contain all the information that each Bidder may require. This EOI Application may not be appropriate for all persons, and it is not possible for IREL, its employees or advisors to consider the investment objectives, financial situation and particular needs of each party who reads or uses this EOI Application. The assumptions, assessments, statements and information contained in this EOI Application may not be complete, accurate, adequate or correct. Each Bidder should therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments, statements and information contained in this EOI Application and obtain independent advice from appropriate sources.

Information provided in this EOI Application to the Bidder(s) is on a wide range of matters, some of which may depend upon interpretation of law. The information given is not intended to be an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. IREL accepts no responsibility for the accuracy or otherwise for any interpretation or opinion on law expressed herein.

IREL, its employees and advisors make no representation or warranty and shall have no liability to any person, including any Bidder, under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this EOI Application or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the EOI Application and any assessment, assumption, statement or information contained therein or deemed to form part of this RFP or arising in any way with qualification of Bidders for participation in the Bidding Process. IREL also accepts no liability of any nature, whether resulting from negligence or otherwise howsoever caused arising from reliance of any Bidder upon the statements contained in this RFP. IREL may in its absolute discretion but without being under any obligation to do so, update, amend or supplement the information, assessment or assumptions contained in this EOI Application.

The issue of this EOI Application does not imply that IREL is bound to select and short-list qualified Bids for Price Bid (Stage II: Financial Bid) or to give order for supply of material, and IREL reserves the right to reject all or any of the applications without assigning any reasons whatsoever.

Invitation for Expression of Interest

IREL invites Expression of Interest (EOI) from eligible and experienced suppliers (producers / traders) for the Budgetary estimate of Commercial grade Caustic Soda Lye and Hydro Chloric Acid for a period of six months. The purpose of this EOI is to identify and shortlist capable suppliers who can meet our technical, commercial, and delivery requirements for potential long-term and or spot supply arrangements. IREL intends to empanel the eligible and suitable vendors for the supply of Caustic Soda Lye and Hydrochloric Acid. This Expression of Interest (EOI) is a request for a budgetary estimate only and is issued with no commitment. IREL reserves the right to withdraw or to amend any terms and conditions etc. at any stage, should it be so necessary. Applying against Expression of interest (EOI) does not automatically give right to empanelment / registration. IREL reserves the right to reject or accept any application received against EOI without assigning any reason thereof.

GENERAL INSTRUCTIONS TO BIDDERS W.R.T PARTICIPATION IN

THE E-TENDERING EVENT

1 INSTRUCTIONS FOR ONLINE BID SUBMISSION

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at <https://etenders.gov.in/eprocure/app>.

PREPARATION OF BIDS

- (i) Bidder should take into account any corrigendum published on the EOI/tender document before submitting their bids.
- (ii) Please go through the EOI carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- (iii) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the EOI/tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF / JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- (iv) Bidders are required to submit the documents as instructed in the Annexure-I to Annexure-VI along with the EOI

SUBMISSION OF BIDS

- (i) Bidder should submit the EOI well in advance for bid submission so that they can upload all the necessary documents in time i.e., on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- (ii) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the EOI/tender document.
- (iii) Bidders are requested to note that they should necessarily submit their pre-qualification bid in the format provided and no other format is acceptable. Price bid has been given as a BoQ format with the tender document and to be filled by all the bidders. Bidders are required to download the Standard Format/BoQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the Pre- Qualification/BoQ/Standard format file is found to be modified by the bidder, the bid will be rejected.

- (iv) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- (v) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers
- (vi) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- (vii) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- (viii) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
