

IREL PRMS BENEFITS REVISED TO DOUBLE
THE SUM INSURED THROUGH TOP UP SCHEME

It gives pleasure to inform all IREL Post Retirement Medical Scheme (PRMS) beneficiaries that the Scheme for insurance coverage has been enhanced to double the sum insured to the retirees/spouses who have submitted their option through Top Up arrangement.

Now under PRMS for the period 1st April 2020 to 31st March 2021, there will be two Group Medclaim Insurance Policies viz.,

- (i) **Base Policy** which gives the insurance coverage equivalent to the existing sum insured to all the IREL PRMS beneficiaries and

- (ii) **Group Medclaim Top Up Policy** which gives double coverage equivalent to the existing sum insured to the beneficiaries who have opted for the Top Up Scheme.

The beneficiaries in the Top Up Scheme shall avail the additional coverage after exhausting the base Policy coverage.
